TELEMEDICINE/TELEHEALTH INFORMED CONSENT

I _____ [name of patient] hereby consent to engaging in telemedicine at A New Path Psychotherapy Services with Molly Dean, LCSW as part of my psychotherapy. I understand that “telemedicine” includes the practice of health care delivery, assessment, diagnosis, consultation, treatment, transfer of medical data, and psychoeducation using interactive audio, video, or data communications. I understand that, with my signed consent, telemedicine may also involve the communication of my mental health information, both orally and visually, to other health care practitioners located in Arizona.

Technology: I understand that I will need to download an application and/or software to use this platform. I also need to have a broadband Internet connection or a smart phone device with a good cellular connection at home or at the location deemed appropriate for services. I also understand that in case of technology failure, I may contact Molly Dean via phone to coordinate alternative methods of treatment.

Financial Obligations: Fees associated with telemedicine appointments are payable by credit or debit card only. If fees may be associated with my telemedicine services, I agree to have my credit/debit card information on file. My card will be billed the same day as my scheduled telemedicine appointment. If my card is declined, Molly will cancel my appointment and I will be charged in accordance with the cancelation policy. (Client Initial: _____)

I understand that I am responsible for cancelled telemedicine appointments in accordance with the Molly Dean’s 24 hour cancellation policy as documented by my signature on the Informed Consent. (Client Initial: _____)

Individual Therapy Initial Assessment = \$180.00

Follow-up Appointments per session = \$150.00

I understand that using the Telemedicine platform allows access to mental health services that might not otherwise be available to me due to my mental health, and/or my physical, resource, or geographic limitations. Scheduling: I understand that scheduling is conducted through Molly Dean and is based on my provider’s normal clinic hours. Telemedicine appointments are considered outpatient services and not intended as a substitute for emergency or crisis services. Crisis or mental health emergencies should be directed to the local county crisis line or by dialing 911.

As a general practice Molly DOES NOT record Telemedicine sessions without prior permission.

Confidentiality: The laws that protect the confidentiality of my medical information also apply to telemedicine. As such, I understand that the information disclosed by me during the course of my therapy is generally confidential. However, there are both mandatory and permissive exceptions to

confidentiality including, but not limited to: reporting child, elder, and dependent adult abuse; expressed threats of violence towards an ascertainable victim; and where I make my mental or emotional state an issue in a legal proceeding. Our platform is HIPAA compliant to protect my privacy and confidentiality. This is further explained in the Mental Health Informed Consent, which I have signed.

I understand that I have the following rights with respect to telemedicine: 1. I have the right to withdraw my consent at any time. 2. I understand that there are risks and consequences associated with telemedicine including, but not limited to the possibility, despite reasonable efforts on the part of my counselor/therapist/clinical intern, that the transmission of my medical information could be disrupted or distorted by technical failures. In addition, I understand that telemedicine-based services and care may not be as complete as face-to-face services. I also understand that if my therapist believes I would be better served by another form of psychotherapeutic services (e.g. face-to-face services) I will be referred to a counselor/therapist who can provide such services in my geographic area. 3. I understand that I may benefit from telemedicine but that results cannot be guaranteed or assured. 4. I understand that Molly Dean may not provide telemedicine services to me if I am outside of the State of Arizona, and I understand that I may access telemedicine services from Molly within the state of Arizona only. 5. I understand that I have a right to access my mental health information and copies of medical records in accordance with Arizona state law. I have read and understand the information provided above. I have discussed it with my counselor/therapist/clinical intern, and all of my questions have been answered to my satisfaction.
